

Broward LGBT Domestic Violence Coalition

February is Teen Dating Violence Awareness and Prevention Month

Join the Broward LGBT DV Coalition for a
Training at The Pride Center*:

Teen Dating Violence & Diverse LGBT Youth

February 24, 2012
1:00-4:00 pm

**Suggested donation of \$3 is greatly appreciated.
Proceeds will benefit The Pride Center (who is donating training space)
and the Broward LGBT DV Coalition.*

This will be an interactive training to promote discussion about the particular nuances of working with lesbian, gay, bisexual, transgender and queer (LGBTQ) teens.

Topics covered will include: dynamics of intimate partner violence, the specific ways that this problem manifests among diverse LGBTQ teens, the challenges faced by this marginalized group, and tools to help those we work with to overcome barriers to safety and justice.

Did you know?

In the past 12 months, one in 10 teens report being hit or physically hurt on purpose by a partner at least once.

Dating violence has important negative effects on the mental and physical health of youth, as well as on their school performance.
